Liquefied phenol
0.494% w/w.

Medicated relief for
occasional cold sores,
cracked, chapped
& sore lips.

Formerly **Blisteze**®

Blistex Relief Cream™

Healing – medicated to soothe cold sores & care for your lips
Blistex® Relief Cream™ has a soothing and protective formula to relieve & treat occasional cold sores and cracked & chapped lips, leaving your lips feeling soft again.

Cold sores – when first symptoms arise, gently apply every hour to rapidly relieve any discomfort.

Cracked and chapped lips – your lips are more sensitive during extreme weather conditions, so you may need a little more care than normal. Apply Blistex® Relief Cream™ frequently to quickly relieve sore, cracked & chapped lips.

Possible side effects - Blistex may cause irritation or swelling of the lips, or an allergic reaction such as skin rash, redness or itching. Consult your doctor if you suffer from recurrent cold sores or if you have any other unwanted effects.

Do not store above 25°C. Do not use after the expiry date shown on the tube and carton. For external use only.

Keep all medicines out of the sight and reach of children.
