

Cymex

cream for

COLD SORES & DRY CRACKED LIPS

Effective relief right from the moment you use it.
Its triple action formula relieves and promotes the healing of painful and unsightly cold sores and dry cracked lips.

Directions: Apply the cream sparingly every hour as needed. If symptoms persist, speak to your doctor. Side effects are rare, however, if you notice anything unusual tell your doctor or pharmacist. Do not use if you are allergic to any of the ingredients. Cetostearyl alcohol may cause skin reactions such as contact dermatitis (see ingredients).

For external use only: Store below 25°C
Keep out of the reach and sight of children
Do not use after expiry date

The active ingredients: (what makes the cream work) are urea BP (1.0% w/w), dimeticone 350 BPC (9.0% w/w), cetrimide BP (0.5% w/w) and chlorocresol BP (0.1% w/w). Other ingredients are paraffin, cetostearyl alcohol, water.
